## GOOD LATCH

Angle nipple parallel to bridge of nose

Make sure baby's mouth is open wide

Touch chin to breast

## **Early Hunger Cues:**

- 1. Rooting
- 2. Fists to mouth
- 3. Smacking lips
- 4. Opening and closing mouth
- 5. Clenched fists

## Full Cues

- Relaxed face and body
- Open and relaxed hands
- Lack of hunger cues
